2 Pac - Lost Souls

[Featuring Outlawz]

2Pac: Spoken

No one seperates what we create
Unstoppable, untouchable
Motherfuckin world wide mob figures
Death Row at its finest
M.O.B. thugs for motherfuckin life
Motherfuckin made niggas
We comin after these niggas world wide
Feel me
Makaveli The Don
My life in exchange for yours
Born hated as a thug
House full of babies cryin
From a lack of gettin love
Won't nobody tell me shit
Till I got a sac of drugs
At the block sewn up
Cause I wanna pack a gun
Do you feel me?
World do ya hear me?
Catch a risin' star
Fuck the love
Niggas fear me
Got these niggas runnin all wild
From my double R when we ride
Motherfuckers is sure to die
Boom once I enter the room
In the air all you hear
Is the whispers of doom
Niggas scared
They don't wanna see me head on
Think of all the busters
That I had to leave dead and gone
Called a brave nigga
Fuckin with a made nigga
M.O.B. gun fire
Gettin sprayed quicker
Fuck em all let em understand
My plot to get richer
Much more than 6 figures
A motherfuckin made nigga
(Feel me)
Motherfuckin Made Niggas
(Made Niggas)
I got a plot to get richer
Take my picture
