## 10000 Maniacs - Even With My Eyes Closed

Even with my eyes closed,  
Funny how I know  
it's harder, it's harder now.  
Young girl  
in my young girl days,  
thinking I could live for always.  
But like an ocean tide,  
I'm drawn back inside  
and I know.  
Seasons pass  
like sand inside a glass  
and nothing, nothing returns.  
Standing with the friends I've made,  
I'll race them to the grave.  
Well who won,  
won the extra days?  
But like an ocean tide,  
I'm drawn back inside...  
But like an ocean tide,  
I'm drawn back inside  
and I know.  
When you the years toll  
on the waters wide,  
shallow high and low.  
In the autumn sky,  
happy to know I'm going home.  
Even with my eyes closed,  
funny how I know  
it's finally,  
has it finally begun?  
But like an ocean tide,  
I'm drawn back inside...  
But like an ocean tide,  
I'm drawn back inside  
and I know...  
and I know...  
and I know
