## **10000 Maniacs - Grey Victory \***

GREY VICTORY (Lombardo/Buck/Merchant) There was light and atomic  
fission Swelling wind Rising ash Tide of Black Rain Cement seared  
shadow traces Reminiscent of their last commands Instantly one  
thousand flames arising Ill scent the burning hides surrounding A  
settlement debased entirely Enola Gay had made a casual delivery  
Please build a future, darling With our bomb Cherish and love it For  
the sake of Earth bound kingdom come The undersides of fallen metal  
trusses Evil debris of human bodies Each window's glass shards pelted  
Secure confines Brittle collapse Neighbors lay beside Each other  
unknowing Faces scorched of all familiar bearing, Too few hands Many  
wounds for closing Marred by Thirsting Anguish Fear lamenting Here we  
stand At the door to gold atomic age Don't spoil your face with worry  
Trust in Earth bound kingdom come.
