## 10000 Maniacs - Headstrong

To your common sense firm arguments I won't listen to your voice of reason  
trying to change my mind. I mind my feelings and not your words.  
Didn't you  
notice I'm so headstrong even when I know I'm wrong? Take this to your heart  
and into your head now: before you waste your time, call a truce and call a draw.  
What's the use in mapping your views out in orderly form when it does nothing but confuse and anger me more? I mind my feelings and not your words.  
Didn't you notice I'm so headstrong. You're talking to a deaf stone wall.  
Take this to your heart and into your head now: the old wives' tale is true,  
I'll repeat it. All is fair in love and war, that's how the famous saying goes.  
Open up your eyes, see me for what I am: cast in iron, I won't break and I won't bend. Take this to your heart and into your head now: the old wives' tale is true, I'll repeat it. All is fair in love and war, that's how the famous saying goes.  
If I told you we were out to sea in a bottomless boat, you'd try anything to save us, you'd try anything to keep us afloat. And if we were living in a house afire, I don't believe that you could rush out and escape it and not rescue me. Take this to your heart and into your head now: the old wives' tale is true, I'll repeat it. All is fair in love and war, that's how the famous saying goes. Listen, I think they were talking to you.
