2gether - Right Where It Counts

Right Where it Counts

Written by Brian Gunn, Mark Gunn and Brian Steckler

uh uh

We're alone in your room
playin hexen and doom
And now your tellin' me goodbye
So you want us apart
That put a knife in my heart
And a tear wellin' up in my eye (one little tear)
But let me remind you
how much you have been blind to
You totally changed me
mixed me up rearranged me
My hair how you like
quit hangin' with Mike
And now you repay me
By tryin' to slay me
I want you to know that you
hit me to low
and that I can barely breathe
If I told you that Im bleeding inside
Would you let me get off my knees

Right where it counts
Thats where you hit me
Right where it counts
Im on my knees
Right where it counts
Stop kickin' me please
Right where it counts

I used to play football
I once was a goofball
But you didnt like that
No you didnt like that
The guys call me whipped
my popularity slipped
Because you just wanted a doormat
We shared alotta friends and id do it again
if you and i can get back on the highway
Thought we'd share our life
me husband you wife
but im confused im battered and im bruised

why are you so mean

now you ruptured my spleen
and my lowest extremity
If we were alone and the parents weren't hom Id yell 100 obsenities

Chorus x2

and this is what you do
baby i could love you right to the bone
Is this the way you show me
how much you love me
or is it really somethin' your tryin' to say (You tryin' to say somethin'?)

Chorus x2

Right where it counts
Right where it counts
Right where it counts
Right where it counts
Right where it counts
Right where it counts
Right where it counts
(my voice is highhhhhhh)
Right where it counts
Right where it counts
Right where it counts
Right where it counts
Right where it counts
