2gether - The way you do me

Girl, the way you do me
Yeah
Ohhh
Girl, the way you do me

[Jerry]
Girl my head's on fire
Since our very first kiss
Dreamed of us together
Never dreamed this

[Mickey]
(dreamed this)
Took me up to your room
To show me who you are
My cup is running over
[Doug]
(Maybe it's your... bra?)

Girl the way you do me
Makes me say "Wassup?"
When you're finished
I'm on the floor
Feelin' down, feelin' up
Girl the way you do me
Driving me insane
I've never felt this way before

[Mickey]
I'll tell you how I'm feeling
There's no way to begin
Like winning half a million
And then kissing through you
Girl I know you're moody
You blow hot and cold (cold)
That's the way I like it
You're what I want to hold

Girl the way you do me
Makes me say "Wassup?"
When you're finished
I'm on the floor
Feelin' down, feelin' up
Girl the way you do me
Driving me insane
I've never felt this way before

Girl the way you do me

Makes me say "Wassup?"
When you're finished
I'm on the floor
Feelin' down, feelin' up
Girl the way you do me
Driving me insane
I've never felt this way before

[Mickey]
I'll Paris Blues and Gap you
Can't wait to unwrap you
You know I am feeling you
Are you feeling me

[Chad]
If you didn't phone me
I see the sky turning black
I wish my mom would loan me
A couple of Prozac
But I won't let it get to me
I know you just forgot
Cause girl you're always with me
Even when you're not

Girl the way you do me
Makes me say "Wassup?"
When you're finished
I'm on the floor
Feelin' down, feelin' up
Girl the way you do me
Driving me insane
I've never felt this way before

Girl the way you do me
Makes me say "Wassup?"
When you're finished
I'm on the floor
Feelin' down, feelin' up
Girl the way you do me
Driving me insane
I've never felt this way before

Girl the way you do me, ooh

Girl the way you do me
